

ACA Summer Camp
Deep Blue Sea
June 18-22 2018

Calling all “oceanographers”, we are excited for a week of hands on learning as we explore the ocean. Camp is Monday – Friday 8:00am-2:30pm. During the week, students will have exposure to areas such as penmanship, critical thinking, science, math, literacy, and art through hands on activities and experiments.

Camp is for current ACA k-4th grade students. Spots are limited and will be filled on a first come first sever basis. Applications can be turned in to either Mrs. Nichols or Ms. Sullivan by April 19, 2018.

Student Information

Student Name: _____ Current Grade: _____
Allergies? _____
